To

S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore,
B a n g a l o r e.

Sir,

I have the honour to submit herewith a copy of official memorandum No.H.C.6 Rev. dated 30th January 1919 issued by the Deputy Commissioner of Shimoga. A copy of this has been forwarded to me by the present officiating Deputy Commissioner in connection with a communication received by him from the Collector of Dharwar.

Mr. Narayana Iyengar has interpreted Government Order No. G.15770-82/P.P.66-18-163 of the 28th January 1919 to mean that grain may be exported in exchange for other commodities such as areca nuts, chillies etc. This, of course, is clearly incorrect and there is nothing in the Government Order to warrant such an interpretation. I am informing the Deputy Commissioner that the exchange of produce between Madras and Mysore allowed to be arranged by local officers on the weight for weight basis applies only to food grains and that food grains cannot be allowed to be exported against the import of other commodities.

I have the honour to be,
Sir,
Your most obedient servant

G. O. No.15770-82/P.P.66-18-163 dated 28th January 1919 directing that local officers may arrange for the exchange of produce between Madras or Bombay and Mysore ryots on the weight for weight principle etc.

Copy of the above is forwarded to the ..... for information and guidance. The principle involved in the Government order is that the export of food grains outside the State will be allowed provided that an equal weight of produce not necessarily grain is imported into the State, e.g. The Honnavar people in the South Canara District may be permitted to export as much grain as they import areca etc into Sagar taluk or the Dharwar people may be permitted to export as much grain as they import chillies etc. into Shikarpur taluk.

He is requested to make this principle widely published.
